All about Time Out with God:

- Time Out with God follows the WEE Learn Curriculum from LifeWay. Incorporating God's word with learning, social skills, letter, numbers and site words.
 - Our classroom size is kept to 8 or less students, allowing our teachers more time with each student.
 - Thursday's are a special day and a favorite for the students, as Pastor Scott has Chapel with them. Chapel is a fun time of songs and bible stories. And always a "treat" from Pastor Scott.
 - Music and hands on activities are a big part of the preschool day. Using crayons, scissors and glue to help little fingers and hands develop dexterity and strength. Music creates an environment for movement and exercise.
 - Our Playground is completely fenced in and we have recently built a pavilion for shade. We use the playground everyday, weather permitting. When the weather is cooler, the students will occasionally have a picnic lunch under the pavilion.
 - The 4yr olds will be working on their site words and early reading skills. As well as handwriting and letters and number recognition reviews.
 - We follow the Hall County School calendar with the exception that we start one week later and end one week earlier.
- In the event of bad weather, the preschool will follow the Hall County School system. The local TV stations and radio will announce school closings due to inclement weather.**

Ministry Scripture

Let the little children come to me and do not hinder them, for the kingdom of God belongs to such as these. 'I tell you the truth, anyone who will not receive the kingdom of God like a child will never enter it.' And He took the children in His arms, put His hands on them, and blessed them."

Mark 10:14-16
